

WHAT IS COMMON APP READY?

Common App Ready is a series of ready-to-use resources created with you and your students in mind and is designed to help make applying to college easy. In the suite of resources you'll find information on topics like creating a Common App account, submitting applications, and the recommendation process — all the information you need in one convenient location.

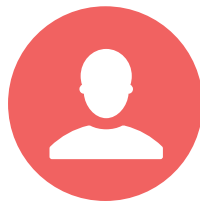

WHO IS COMMON APP READY DESIGNED FOR?

COUNSELORS

ADVISORS

TEACHERS

PARENTS

STUDENTS

HOW CAN I USE COMMON APP READY?

Common App Ready offers a variety of multimedia materials to pick and choose from, including handouts you can provide to students and families. To help you navigate those choices, we'll note the resource type and even mark resources that can be shared directly with your students with an "S".

You can download resources individually or download a collection to present in multiple workshops to your students, parents, colleagues, or anyone else who would benefit from learning about The Common Application.

WHAT TYPES OF RESOURCES CAN I FIND THERE?

Powerpoint Presentations

Info Sheets

Video Tutorials

Spanish Language Resources

We know your days can be complicated. Preparing your students and families for the college application process doesn't have to be. **Get Common App Ready, today.**
