

My college requirements worksheet

Staying organized and understanding what you need to fill out in the application is crucial. But, because each college has its own specific requirements, it can seem like a lot to keep track of.

Use this worksheet to collect the requirements of the colleges on your list. This way you have all the information in one place when you need it. We've included space for 4 colleges, but if you have more you want to add, just copy and paste the last page!

Here is where you can find colleges' requirements in the application:

College search

Select a college from the list to open their requirements. You can also use the "more info" icon for links to other helpful resources.

My Colleges

Each college's information page contains all their specific requirements.

Requirements grid

This PDF lists all colleges that use Common App and their requirements. You can access this document on your dashboard, in college search, or in the solutions center.
